2. Principles of resolution

- Berry Street Victoria is committed to developing a procedurally fair complaints and appeals process that is carried out free from bias, following the principles of natural justice. Through this policy and procedure, Berry Street Victoria ensures that complaints and appeals:
 - Are responded to in a consistent and transparent manner.
 - Are responded to promptly, objectively, with sensitivity and confidentiality.
 - Are able to be made at no cost to the individual.
 - Are used as an opportunity to identify potential causes of the complaint or appeal and take actions to prevent the issues from recurring as well as identifying any areas for improvement.
- Berry Street Victoria will maintain a record of all complaints and appeals and their outcomes on either the *RTO Complaints/RTO Appeals Register*, which are securely stored according to the *RTO Privacy Policy and Procedures*.
- Nothing in this policy and procedure limits the rights of an individual to take action under Australia's Consumer Protection laws and it does not circumscribe an individual's rights to pursue other legal remedies.
- Where a learner chooses to access this policy and procedure, Berry Street Victoria will maintain the learners' enrolment while the complaints/appeals process is ongoing.

3. Timeframes for resolution

- Complaints and appeals will be finalised as soon as practicable or at least within 30 calendar days unless there is a significant reason for the matter to take longer. In matters where additional time is needed, the complainant or appellant will be advised in writing of the reasons and will be updated weekly on the progress of the matter until such a time as the matter is resolved.

4. Records of Complaints and Appeals

- Berry Street Victoria will maintain a record of all complaints and appeals and their outcomes on either the *RTO Complaints/RTO Appeals Register* which is stored securely on our internal file management system. These registers will be regularly reviewed by management and used as an opportunity for improvement and reflection.
- If a complaint or appeal involves a learner or staff member, details will also be held on the relevant secure file which only authorised staff have access to.

5. Making a complaint or appeal

- Complaints about a particular incident should be made within 90 calendar days of the incident occurring and appeals must be made within 30 days of the original decision being made.
- Complaints and appeals should be made in writing using the *RTO Complaints and Appeals Form* (upon request), or other written format and sent to:

- Complaints or appeals are also able to be made via the Berry Street internet page, located at <https://www.berrystreet.org.au/contact-us/feedback>
- When making a complaint or appeal, provide as much information as possible to enable Berry Street Victoria to investigate and determine an appropriate solution. This should include:
 - The issue you are complaining about or the decision you are appealing – describe what happened and how it affected you.
 - Any evidence you have to support your complaint or appeal.
 - Details about the steps you have already taken to resolve the issue.
 - Suggestions about how the matter might be resolved.
- Complaints and appeals will be acknowledged in writing via email or post. Acknowledgement should be received within 7 days of lodgement.

6. Resolution of Complaints and Appeals

- Some or all members of the Governance Group of Berry Street Victoria will be involved in resolving complaints and appeals as outlined in the procedures.
- Where a third party delivering Services on behalf of the RTO is involved, they will also be included in the process of resolving the complaint or appeal. Additionally, where a complaint or appeal involves another individual or organisation, they will be given the opportunity to respond to any allegations made. They will also be advised in writing of any allegations made against them.
- In the case of an assessment appeal, an assessor who is independent from original decision will assess the original task again. The outcome of this assessment will be the result granted for the assessment task.

7. Independent parties

- Berry Street Victoria acknowledges the need for an appropriate independent party to be appointed to review a matter where this is requested by the complainant or appellant and the internal processes have failed to resolve the matter. Costs associated with independent parties to review a matter must be covered by the complainant/appellant unless the decision to include an independent party was made by Berry Street Victoria.
- The independent party recommended by Berry Street Victoria is Melbourne Commercial Arbitration and Mediation Centre (www.mcamh.com.au) who have a cost of \$950 per matter (as at 2016), however complainants and appellants are able to use their own external party at their own cost.
 - Berry Street Victoria will provide complete cooperation with the external mediator investigating the complaint/appeal and will be bound by the recommendations arising out of this process.

LC14-SF: RTO Complaints and Appeals Policy & Procedure

- The RTO Manager will ensure that any recommendations made are implemented within twenty (20) days of being notified of the recommendations. The complainant or appellant will also be formally notified in writing of the outcome of the mediation.

8. External complaint avenues
